ORDER

On August 23, 2012, Brandenburg Telephone Company, Inc. ("Brandenburg Telephone") filed with the Commission a proposed amendment to the interconnection agreement between Brandenburg Telephone and New Cingular Wireless PCS, LLC ("New Cingular").¹ The amendment was negotiated pursuant to 47 U.S.C. §§ 251 and 252.

The Commission has reviewed the amendment and finds that no portion of the amended agreement discriminates against a telecommunications carrier not a party to the agreement. The Commission also finds that implementation of this amendment is consistent with the public interest, convenience, and necessity.

The Commission, having been otherwise sufficiently advised, HEREBY ORDERS that the proposed amendment is effective as of the date of this Order.

¹ New Cingular is entering into the agreement on behalf of itself, and its Commercial Mobile Radio Service operating affiliates d/b/a AT&T Mobility (collectively "AT&T Mobility"), as successor in interest to Westel-Milwaukee Company, Inc.
